

Golden Eagle Marching Band Newsletter

For Members of the Tennessee Tech Golden Eagle Marching Band – (Revised July 31, 2020)

WELCOME

Hello Everyone! I hope this message finds you safe and well. Since the initial posting of this newsletter in July, several significant changes have occurred. ***Please be advised that we will no longer be holding our full band camp***—this means woodwinds and brass will not have a band camp. Student Leadership Staff and all percussion will still have an abbreviated camp during the week of August 16.

At this time, we still believe that marching band activities for fall 2020 will be held in some capacity...BUT...this season will be dramatically different from past seasons due to the COVID-19 pandemic. All potential students — new and returning — should be prepared for a very, very different season. We will be following strict university, State of Tennessee and CDC guidelines to ensure the safety and well-being of our students.

If I can be of assistance to you, please don't hesitate to ask. I look forward to welcoming you to campus in the near future!

Very Sincerely,

Jeffrey L. Miller, Ph.D.

Director of Bands

Assistant Professor of Music

INTRODUCING

We've been so fortunate to have Dr. Schirripa serve as an adjunct faculty member in the School of Music and as instructor of the GEMB's percussion and Golden Eagle Brass. Earlier this spring, Dr. Schirripa accepted a faculty position at the University of Texas Rio Grande Valley. We will miss him but are so excited to welcome (back) Mr. Jayce Clemons!

Jayce is an alum of Tennessee Tech, receiving a B.S. in Music Education in 2010. Following his studies at Tech, he went on to earn a teaching fellowship at the University of North Texas where he completed a M.M. in Percussion Performance. He has performed with many reputable ensembles and is the recipient of multiple awards in performance and composition.

In the marching arts, Jayce was a member of Southwind Drum and Bugle corps from 2005 to 2006 and Music City Mystique in 2006. He has also arranged for and taught at numerous schools throughout Tennessee and Texas, including serving as a private lesson instructor in McKinney and Frisco, Texas from 2012 to 2014 before focusing exclusively on instrument building and composing.

Super-Important Reminders

- IMPORTANT UPDATE (7/31):** Because of changes made by our athletics conference (Ohio Valley Conference), we have determined that there is no longer a need to have a full band camp. This means, woodwinds and brass **will not** attend camp during the week of August 16. **All percussion and Student Leadership will have an abbreviated camp during this week.**
- Every member of The Golden Eagle Marching Band (new and returning) is responsible for submitting the online Drill Spot Reservation Form. This is a student information form we use, in addition to your class registration, to assign drill spots to each member of the marching band.

- We must have this information to prepare for camp and our fall season. Submission should be completed no later than Saturday, August 1, 2020. *If you missed this deadline, contact Dr. Miller immediately.*
3. In addition to submitting the Drill Spot Reservation Form, **ALL** members must register for the marching band class (MUS1033-001; CRN: 80861). Freshmen and transfer students can register during your SOAR session.
 4. Weekly marching band practice is scheduled on M/W/F from 3:50-5:50 p.m. Attendance is required of all members.
 5. Because of COVID-19 related concerns, the Golden Eagle Marching Band will not be wearing traditional uniforms this year. Members will wear alternative uniforms as described below. T-shirts, ball caps and sweatshirts will be provided to members at no cost. You will not need gloves or marching shoes this year.

Warm Weather: Khakis shorts, GEMB t-shirt, game day ball cap and sneakers.

Cold Weather: Blue jeans, GEMB sweatshirt, game day ball cap and sneakers.

What New Members Can Expect

New members are sometimes apprehensive about what to expect from the university marching band experience. Here's a few things you can expect!

- The biggest difference between high school and university marching bands is the absence of a competition circuit. University bands work very hard to produce superior shows, but the overall focus is contributing to and enhancing the game-day experience. This includes performances in parades, at tailgate events, and the pregame and halftime shows.
- University band rehearsals are often shorter and fewer in number. Older students can learn new concepts and skills more quickly, so rehearsals are fast-paced, efficient, and highly productive.
- The Golden Eagle Marching Band performs one halftime show for the season. This allows us to focus on performing drill and music that is high-quality and fun!
- Your student leaders (aka "Student Leadership Staff") and returning members are wonderful people. They have worked hard to make The Golden Eagle Marching Band a great success. Follow their example and listen to their instructions and you'll have a great experience.
- Again, much about this season will be VERY different, but, with your patience, care and positive spirit, I believe it will be one you can be proud of. We can't wait to meet you and welcome you to the GEMB family!

Camp & Season Essentials

Members should have the following items for the band camp and the upcoming season.

1. Hand sanitizer
2. Face mask/face covering (A mask will be provided by the university, but you should also bring your own)
3. Personal water cooler or hydration backpack (i.e. [Coleman Cooler](#) or [Camelbak](#))
4. Athletic shoes (no sandals)

8. Blue jeans for your alternative uniform (in good condition—no tears or rips)
9. Sunscreen and bug repellent
10. Comfortable clothes for outdoor rehearsals

COVID-19 Information

We understand there are many questions, primarily about safety and risk mitigation, related to COVID-19. Plans at the university continue to develop on a daily basis. You are encouraged to regularly check the university [website](#) for updates.

To ensure the safety and well-being of our students, faculty and staff, all plans for the Golden Eagle Marching Band will be informed by decisions made by university officials, the state of Tennessee and the CDC. Specific guidelines and rules will be provided and discussed at the start of the season. In the meantime, if you have questions, you may contact Dr. Miller by email at jlmiller@tnitech.edu.

Stay Informed and Social

Your Tech email address will be the primary way information is communicated to you throughout the season. However, we also encourage you to join the TTU Golden Eagle Marching Band Facebook group (a private group for members only) and the Tennessee Tech University Bands Facebook page @TennesseeTechBands (a page where you, your family and friends can engage with all bands at Tech).

New this year! In an effort to communicate quickly and more efficiently, we are asking all members to download the Band app (good for Android and Apple devices). Open this invite link on your iPhone, Android, or desktop: <https://band.us/n/a3a83du1k01cY>.
