

GRADUATE STUDENT HANDBOOK

2018-2019

A Supplement to the TTU Student Handbook and the
Graduate Catalog

college of
GRADUATE STUDIES
www.tntech.edu/graduatestudies

Welcome to Tennessee Tech University!

The College of Graduate Studies works closely with the graduate departments and schools at the university to carefully select students who will be successful in graduate study. We also provide structure and support needed to help assure student success. We are available to answer your questions, guide your progress, and assist with your development. It is our goal to admit excellent students and do all we can to support them throughout their academic careers.

Pursuing a graduate degree is a journey into inquiry and learning that results in the attainment of a body of knowledge and the skills to discover new ways to solve problems. The attainment of a graduate degree will lead to the enhancement of your life and to using your knowledge for the betterment of society. We hope you have a rewarding experience at Tennessee Tech University.

CONGRATULATIONS

THINGS TO DO

1. **Financial Aid** Make sure all paperwork is in order.
2. **Graduate Assistantship** Applications can be found at www.tntech.edu/graduatestudies/financial
3. **Student Email Account** Sign in, it's the main method of contact by the university.
4. **Advisement** Contact the person listed on your Certificate of Admission.
5. **Register** Login to Eagle online and register for courses.
6. **Parking permit** Get a permit if you will be parking on campus.
7. **Complete Admission Requirements** If you lack any requirements for admission it will be indicated on your Certificate of Admission. All admission requirements must be met by the end of the first semester or a registration hold will be placed on your account.
8. **Advisory Committee** Start thinking about which faculty members you want.
9. **Forms** Go to the Graduate Studies website and click on the FORMS link and familiarize yourself with the forms we have available.
10. **International students** Check-in with the International Education office.

THINGS TO BE AWARE OF

1. **Permissible Loads** There are limits in some situations.
2. **Grades** Know what grades are required to avoid dismissal or probation.
3. **Program of Study and Admission to Candidacy forms** You'll need to file one by the end of the semester in which you will earn 15 credit hours of graduate level courses. Failure to turn in your program of study by this time will result in a registration hold.
4. **Admission to Candidacy** Find out what the process is for your degree.
5. **Changes** Learn how to make changes and the proper forms to use.
6. **Degree Completion Time Limits** Six consecutive years to complete a master's or specialist in education; eight consecutive years to complete a doctorate.
7. **Comprehensive Exam** Learn about your department and degree's comprehensive exam (when, where, and how).
8. **Thesis/Dissertation** TTU has a specific format for theses and dissertations. Attend a workshop before you begin writing.
9. **Graduation** You must apply for graduation in the semester you plan to complete your degree. All applications are due by the published deadline posted on our Graduate Student Calendar by semester.

COMMUNICATION

The College of Graduate Studies will communicate with students in the following ways:

WEB

www.tntech.edu/graduatestudies

The College of Graduate Studies has a dedicated presence on the university website with information for graduate students such as admissions, dates and deadlines, forms, thesis/dissertation, graduation, and more.

TWITTER

@TTU_gradschool

Important calendar information, events, and other timely information is shared through Twitter. Follow us and never miss another deadline.

FACEBOOK

Tennessee Tech University Graduate Studies

The College of Graduate Studies Facebook page at <http://www.facebook.com/TTUGraduateStudies> shares important information. Use this page as a forum to discuss issues related to graduate students.

CAMPUS EMAIL

The Tennessee Tech campus email is the official email and students are encouraged to check it regularly as this is how they will be contacted.

TTU STUDENT HANDBOOK TOPICS

Please consult the TTU Student Handbook website for information regarding any of the topics listed below.

www.tntech.edu/handbooks/ttustudenthandbook/

Academic Regulations

- The Eagle Card
- Academic Advisement
- Class Attendance
- Tests and Examinations
- Midterm Grades
- Plagiarism
- Week Prior to Final Exams
- Grade Appeal Procedures
- Withdrawal

Administrative Regulations

- Identification Card
- Official Notice
- Financial Responsibility
- Lost and Found Articles
- Motor Vehicles
- Penalties
- Appeals
- Post Office Box
- Directory Information Restrictions
- No Smoking & Tobacco-Free Campus Policy

Code of Computing Practices

Disability Services

- Office of Disability Services
- Mission
- Vision
- Disability Accommodation and Adjustment Policy and Procedures

Discrimination and Harassment

- Purpose
- General Statement
- Discrimination
- Sexual Harassment

- Student

Roaden University Center

- Facilities
- Priority for Use
- Bulletin Boards

Sexual Assault

Student Complaint

Student Disciplinary

Student Due Process

Student Rights

University Disciplinary System

Use of Campus Property and Facilities

ADMISSION TYPES

Admission standing is not to be confused with academic standing (good or probation) or enrollment level (full-time or part-time).

Provisional Standing

Some colleges allow students provisional admission with the agreement that all outstanding admission requirements be met within the first semester of enrollment. By mid semester a hold will be placed on the student's account to prevent future enrollment until all admission requirements are satisfied. Students admitted in provisional standing are allowed a maximum load of nine (9) hours.

Full Standing

Students admitted in full standing have met all admission requirements and are entitled to all freedoms as a graduate student.

Special Standing

This classification enables students to enroll for graduate credit in certain academic areas but it does not guarantee that such credit will be counted toward a degree objective. If a student transfers to a degree program and wishes to use courses taken during special standing, only nine (9) credit hours (approved by the department of major) can count towards a degree objective.

Students in special standing are not eligible for financial aid.

Reclassification

Students admitted in full standing are not required to be reclassified. Students who have been admitted to graduate study in provisional standing may, upon the approval of the department chairperson or program director, request and be granted full standing. Students are not required to apply for reclassification. Students files are reviewed each semester by the College of Graduate Studies and all students eligible for reclassification will be processed automatically.

ADVISEMENT AND REGISTRATION

Advisement

1. Contact the major department for advisement. The contact name and number is provided on your Certificate of Admission.
2. The departmental chairperson or advisor will provide student with “Alternate PIN” codes for registration.

Registration

1. The student will register online using the information provided by the department.
2. Once the course selection process is complete, the student will pay fees and confirm enrollment. If enrollment is not confirmed and payment not received, the enrollment will be purged.

Permissible Loads

Full load (fall, spring) - 9 hours (GA's may enroll in 6 hours)

Full load (summer) - 6 hours (GA's may enroll in 1 hour)

Maximum load for Graduate Assistant- 12 hours

Maximum load for student not on Graduate Assistantship - 15 hours

A TYPICAL SEMESTER

- First day of classes
- Last day to drop and add
- Breaks (holiday, spring, or fall)
- Last day to drop with “W”
- Advisement
- Early course selection
- Comprehensive exam or thesis/dissertation defense
- Last day of classes
- Final exams
- Commencement

ADMISSION TO CANDIDACY

Admission to Candidacy

Admission to Candidacy is required of all degree seeking students. For master's and specialist in education it must be filed by the end of the semester in which 15 hours of course credit will be earned. A hold will be placed on the student's account to prevent further registrations mid-semester of the semester in which the 15 hours will be earned. To be admitted to candidacy, a student must:

- be in full standing.
- have completed at least 9 semester hours of graduate credit with a minimum quality point average of 3.0.
- successful completion of any examination which may be required by the student's department.

Master's — filed with Program of Study (second page of the form).

Specialist in Education — often filed before Program of Study, signatures by committee, department chair and department dean or program director.

Doctorate — presentation to committee, memo to College of Graduate Studies. Once the comprehensive exams are complete, the student's advisor will send a memo to College of Graduate Studies indicating such and requesting that the student be admitted to candidacy.

If the student's application for admission to candidacy is not approved due to academic deficiencies, the student cannot continue graduate study with a major in any of the departments of the college in which he/she is studying.

CHANGES

Change of Major

A student is admitted into a degree program only upon a declaration of a major area of study. This major area can be changed if the department of the original major releases the student, and if the department of the new major is willing to accept the student. Student must meet the admission requirements of the new major. A “Change of Major/Concentration” form must be filed with College of Graduate Studies.

Change of Concentration

A student may wish to change concentrations within a degree program major. The concentration may be changed if the department of the major allows. Student must meet the admission requirements of the new major. A “Change of Major/Concentration” form must be filed with College of Graduate Studies.

Program of Study

Due to course offerings and a change in focus of research, students may have to alter a few courses on the approved program of study. A new program of study is not required, but a “Substitution Form” must be filed with College of Graduate Studies.

Advisory Committee

Due to change in focus of research or faculty changes, students may need to adjust the approved advisory committee. To change members on a committee, a “Change of Advisory Committee ” form must be filed with College of Graduate Studies.

Contact Info and/or Legal Name

In the event of the need to update or change legal name or contact information, students are to contact the Office of Records and provide the appropriate required documentation.

www.tntech.edu/graduatestudies/forms

THESIS/DISSERTATION AND DEFENSE

Thesis/Dissertation Final Draft

The advisory committee will review the student's thesis prior to the defense to ensure the thesis/dissertation is of suitable caliber and presents a valid investigation.

Thesis/Dissertation Defense

Schedule the defense with the advisory committee well in advance of the deadline. Student should take approved Certificate of Approval and Defense Form to the defense for the advisory committee to sign, if they choose. The results of the defense must be received by the College of Graduate Studies by the deadline date posted on our Graduate Student Calendar each semester.

The Certificate of Approval format should be approved by College of Graduate Studies prior to the defense. You may email a draft for review.

Thesis/Dissertation Submission

The final copy must be submitted electronically to eTD ProQuest by the deadline date posted on our Graduate Student Calendar each semester. Instructions and assistance may be found at www.tntech.edu/graduatestudies/currentstudent/etd.

Upon receipt of the Certificate of Approval signed by all committee members, Graduate Studies personnel will begin reviewing the submission.

For additional information on thesis/dissertation resources, go to the Graduate Studies website, www.tntech.edu/graduatestudies/etd.

COMPREHENSIVE EXAM

Comprehensive Exam

For master's and Ed.S. students, this is scheduled directly with the department, not the College of Graduate Studies. This is normally taken in the last or next to last semester prior to graduation.

For Ph.D. students, consult with the advisory committee chairperson regarding the timing and specific requirements of the Comprehensive Exam and Admission to Candidacy.

WITHDRAWAL

Students who desire to withdraw from the university before the end of an academic term must make formal application for withdrawal to the Office of the Registrar. The withdrawal application is found online at www.tntech.edu/em/records/registration/withdrawal.

If no administrative holds have been assigned to the student account, such as a disciplinary hold, the student requesting to withdraw will receive a grade of "W" in all courses if an official, signed withdrawal application is received by the Office of the Registrar prior to the last day of classes.

GRADES AND COURSES

Grade of Incomplete

An “I” assigned when a student’s performance has been satisfactory, but for reasons beyond the student’s control, he/she has not been able to complete course requirements within the allotted time as determined by the instructor. Students are **not** to register for the course again but must complete the original course requirement with the instructor.

Students have up to one calendar year or until the time of graduation, whichever comes first, to remove the “I” during which time the “I” is excluded from calculation of the student’s QPA. If the “I” is not removed within the time limits, it converts to an “IF” and remains permanently on students’ records.

Course Repetition Policy

Each college in which graduate programs are offered may permit courses to be repeated, provided the cumulative repeat credit does not exceed nine (9) hours. If the repetition is for courses taken for graduate credit either before or after admission to the Graduate School, the grade on repeated work as well as the original grade will be included in the calculation of the quality point average in hours attempted.

The grade received for retaking the course **does not** replace the first grade as is the procedure at the undergraduate level.

Course Credit

Credit used to satisfy the requirements of one degree cannot be used to satisfy the requirements of another degree.

Course Offerings

The course offerings and requirements of the institution are continually under examination and revision. The Graduate Catalog presents the current offerings and requirements at the time of publication but is no guarantee that they will not be changed or revoked. Adequate and reasonable notice will be given to students affected.

GRADUATION

Typical Graduation Timeline

Master's and Specialist in Education

30-33 hour program - typical graduation is in 1.5 to 2 years

36-60 hour program - typical graduation is in 2 to 3 years

Doctor of Philosophy

48-79 hour program - typical graduation is in 3.5 to 4 years

Application for Graduation

Students must submit an application for graduation (www.tntech.edu/graduatestudies/forms) by the published deadline which is at the beginning of the semester in which the degree is expected to be conferred.

Graduate Studies will notify the student by email listing items and courses needed or missing for graduation.

Commencement

Rehearsal for commencement is on the Thursday before the Saturday ceremony date. The candidate is expected to be present at the commencement ceremony for the conferral of the degree, in the term in which it is conferred. There will not be a commencement ceremony for those graduating in August; therefore, these students are invited to participate in the December commencement ceremony.

Diplomas and Diploma Covers

Diploma covers are given out at the commencement ceremony. Students not attending commencement but wanting a diploma cover may contact the College of Graduate Studies.

Diplomas are not given out at the commencement ceremony because degrees are not officially conferred until after commencement. Diplomas will be mailed to students within two weeks of commencement. If a student would rather pick up their diploma, they should notify the College of Graduate Studies prior to commencement.

GLOSSARY

Advisement - A meeting with academic advisor to determine best plan of study to achieve academic goals.

Advisor - A professional advisor or faculty member who meets with designated students each semester to help make curriculum choices and discuss progress toward achieving educational goals.

Advisory Committee - Committee chosen by student to guide research and degree pursuit. The committee is headed by the committee chair.

Bursar - A term unique to higher education and means 'keeper of the funds'.

Candidacy - A student who has nearly completed the requirements for a degree.

Comprehensive Exam - Often abbreviated as "comps," this is a specific type of examination that must be completed by graduate students in some disciplines and courses of study.

Concentration - Area of specialization within a major.

Contract - Agreement between student and Office of Teacher Education.

Corequisite - A course requirement that must be taken concurrently with a particular course. In some instances may be met before enrolling in a particular course.

Dean - The head of a college or university faculty or department.

Defense - Formal meeting with advisory committee in which student defends research and thesis or dissertation.

Degree - The final award upon completion of set academic criteria.

Departmental Chairperson - The head of a college or university department.

Dismissal - Students failing to meet academic requirements and upon recommendation by the major department will be dismissed from the university.

Eagle Card - Identification card that can be used to gain access to sporting events, fitness center, meals, library, stage events, etc.

Eagle Online - The online portal for students to use to view records and grades, register, drop and add courses, etc. and fees.

Early Registration Students may register for the coming semester at the end of a given semester in advance of the official registration dates.

Financial Aid Loans, grants, or assistantships to assist students in paying tuition and fees.

GPA An average obtained by dividing the total number of grade points (A=4; B=3; C=2; D=1) earned by the total number of hours of coursework attempted.

Graduate Catalog Annual bulletin reflecting the current policies, rules and regulations of Graduate School; admission requirements, degree requirements, and course offerings.

IRB Institutional Review Board for the Protection of Human Subjects reviews applications for research involving human subjects.

Major A particular subject or specialization.

Prerequisite A course requirement that must be met before enrolling in a particular course.

Problem Paper or Project A research project resulting in a report or project for students not pursuing a thesis track.

Program of Study A form listing the courses that will be applied towards the degree.

Provost A senior administrative officer in the university.

QPA An average obtained by dividing the total number of grade points (A=4; B=3; C=2; D=1) earned by the total number of hours of coursework attempted.

Syllabus A precise outline of course expectations stating the required textbook(s), assignments and dates due, test dates, grading and policies, research papers, as well as other requirements.

T# (Student ID) Identification number assigned to student and is used in place of social security number.

TBR Tennessee Board of Regents.

Thesis/Dissertation A thesis or dissertation is a document submitted in support of candidature for an academic degree or professional qualification presenting the author's research and findings.

University Calendar The university's calendar is determined and published annually.
