How much of a time commitment is required of Big Sibs?

It varies. Big Sibs can expect to attend a workshop in spring, fulfill an availability option, accompany Little(s) to at least one Honors event during Welcome Week, and check in periodically with Little(s) across the semester to answer questions and make plans.

Other than what's required, you and your Little can decide the rest. Maybe you give them a tour of campus, maybe you form a gaming group that meets weekly, or maybe the minimum is what you decide—you both choose!

What if I'm a commuter student— can I still be a Big Sib?

Yes! Honors commuters may not live on campus, but they are still well-versed in university life and experienced with Honors.

I'm worried I don't have all the answers. Should I still apply to be a Big Sib?

Yes! We will train you on how to answer Little Sib questions and when to direct your Little somewhere else for help.

I'm an introvert. Will I be required to attend large events?

You and your Little(s) can decide together the activities that you would like to attend. It can be in small groups rather than large events, as both of your schedules allow. Many of our incoming freshmen are also introverted and will select a Big Sib with similar socializing preferences.

How many Little Sibs will I be assigned?

You choose what you're comfortable with!
