Fall 2022 Honors Courses for lower-division credit

***All Honors courses require permits available only from the Honors Program. ***

Use the link we are sending to your Tech email to request permits.

To keep your Honors benefits, you must earn Honors credit each semester <u>until you have completed all 22 hours of Honors requirements</u>:

- Honors 1010 (1 cr.)
- 15 Honors credit hours from at least three different areas (also known as Honors Lower Division)
- 6 Honors credit hours at 4000 level or above: 2 Colloquia, or 1 Colloquium & 1 Honors Upper Division in the Major or Honors Directed Study (also known as Honors Upper Division)
- Need help? Make an appointment with Dr. Barnes at ritabarnes@tntech.edu .

These courses count toward the 15-hour block of your total 22 Honors credit hours.

(*BLUE HEADINGS* indicate which GenEd Core requirement is fulfilled by the courses listed.)

If you didn't see what you need…don't forget these proposal-based options:

- **Honors Contract**
- **Honors Experiential Learning**

==*Deadline for Proposals: Tuesday Apr. 12, 2022*==

<u>Fill out the permit request form even if you plan one of these options</u>.

Contracts and Experiential Learning count toward your 15 credit hours in the Honors lower division section.

<u>Need help?</u>   **Workshop on both credit options: Friday March 25th @ 1pm in the Honors Lounge.**
Or email Dr. Barnes before Registration Week begins at ritabarnes@tntech.edu with 3 times that you are available to meet.

Information about Honors Colloquia coming shortly!
