

## The Honors Academic Scholarship Essays

**Read the essays below to prepare for the HAS application.**

Describe a situation that challenged your ideas. How did you respond? Did it result in an alteration of your initial ideas or a solidification of them?

Describe a project or endeavor that required much dedication or a significant time commitment. How did you handle inherent obstacles? How could you have improved?

Describe an experience that you've had with time management that lets us know you're ready for the service hours and planning required to maintain this scholarship if awarded.

**The HAS is competitively awarded to out-of-state students who have applied and been accepted to the Honors Program. Eligible students can apply on Tennessee Tech ScholarWeb <https://www.tntech.edu/scholarships/how-to-apply.php>. Please do not send any HAS essays or related materials to the Honors Program. If you have scholarship questions, contact [Scholarships@tntech.edu](mailto:Scholarships@tntech.edu). For general Honors questions, contact [Honors@tntech.edu](mailto:Honors@tntech.edu).
