

Tennessee Tech Annual Graduation Rates Report - Transfer Students

The *Annual Graduation Rates* report provides graduation rates for first-time, full-time transfer at the institution, college and program level.

The Table of Contents below includes links to the different sections and can be used to navigate within this report. Each section also includes buttons to navigate back to this page. College summaries have additional buttons to aid in navigating to reports within a College.

Data Notes:

1. All data conforms to TTU internal reporting standards and may differ slightly from official reports provided to external constituents such as the Tennessee Higher Education Commission. Differences in reporting date can also cause minor discrepancies.
2. Unless otherwise noted, all data represents 14th Day census counts for the specified time period.
3. Program names, department names and department affiliations are as of the most recent Fall term. Programs that were different in previous years are mapped to the current definition.
4. As defined by THEC, “Students of Color” include students who self-identify as Alaskan Native/American Indian, Black/African American, Hispanic/Latino, Native Hawaiian/Pacific Islander, or Two or More Races.
5. For Race/Ethnicity, the category “Other” includes Asian and Race/Ethnicity Unknown.
6. Pell-Eligibility and First-Generation Status are pulled from the FAFSA. Graduation rates for these categories are based on the number of students who completed the FAFSA.
7. Caution should be used when interpreting graduation rates based on a low number of students in a cohort as even small changes can result in significant increases and decreases over time.
