Academic Year 2020-21

Tennessee Tech University
Degrees Conferred by Level, College, Program, Concentration, & Term
2020-2021

The yearly *Degrees Conferred by Level, College, Program, Concentration, and Term* report provides information about degrees awarded by the institution during the most recent academic year. Awards are summarized at the college, program, and concentration level by term.

Data Notes:

1. All data conforms to TTU internal reporting standards and may differ slightly from official reports provided to external constituents such as the Tennessee Higher Education Commission. Differences in reporting date can also cause minor discrepancies.
2. Program names, department names, and department affiliations are as of the most recent Fall term. Programs that were different in previous years are mapped to the current definition.
3. Students may receive more than one degree in a given time frame.
4. An academic year is defined as Summer, Fall and Spring semesters for the specified time period. For example, the academic year 2020-21 includes Summer 2020, Fall 2020, and Spring 2021.
