**Fall 2019 Cohort**

**Prepared by Institutional Assessment, Research & Effectiveness**

## Student Migration: Three Semesters Fall 2019 Cohort

The *Student Migration: Three Semesters* report is an updated version of the Student Migration report that was generated by the former Office of Institutional Research. This comprehensive report includes:

- Three Semester Migration tables for each college; and
- Three Semester Migration tables for each program in the college.

The Table of Contents below includes links to the different sections and can be used to navigate within this report.

### *Key Highlights:*

- Of the students that were retained from Fall 2019 to Spring 2020, there were a total of 219 students that changed their majors.
- Of the students that were retained from Spring 2020 to Fall 2020 or returned after not attending the Spring semester, there was a total of 288 major changes.
- Out of the 1,705 students in the Fall 2019 cohort, there were 5 students that did not attend during the Spring semester, but returned during the next Fall semester, and of these 5, only 3 changed their majors. Two students returned to their original program and college.

### *Data Notes:*

1. All data conform to TTU internal reporting standards and may differ slightly from official reports provided to external constituents such as the Tennessee Higher Education Commission (THEC). Differences in reporting date can also cause minor discrepancies.
2. Unless otherwise noted, all data represents 14<sup>th</sup> Day census counts for the specified time period.
3. Program names, department names and department affiliations are as of the most recent Fall term. Programs that were different in previous years are mapped to the current definition.
4. This report is based off the initial cohort of New First-Time Freshmen in the Fall or the preceding Summer term. Both Full-Time and Part-Time students are included.
5. In Fall 2020, the Pre-Professional Programs in the College of Arts & Sciences had to declare a major or become an Interdisciplinary Studies (BS) major.
6. As of Fall 2020, Interdisciplinary Studies now contains the previous General Curriculum, General Health Studies, and Pre-Law students.
