

iLearn: Class Progress

Center for Innovation in Teaching and Learning

Class Progress

You can track student activity in D2L in two ways. The Class Progress tool provides insights into individual student progress, while the Completion Tracking tool monitors activity related to specific topics in Content.

Monitor Student Activity through Class Progress

Through Course Admin

1. On the purple navigation bar, click **Course Management**.
2. Click **Course Admin**.
3. Under Learner Management, select **Class Progress**.

Figure: Class Progress link

4. The classlist will appear with content completed, objectives, logins, and grades for each student. Select a student name to view more activity information.

	Derek, Student student.three T0003	<div><div></div></div> 2 % Completed: 1 / 48	No objectives	<div><div></div></div> Logins: 2
	Emma, Student student.two T0002	<div><div></div></div> 4 % Completed: 2 / 48	No objectives	<div><div></div></div> Logins: 1

- Select the **tool name** (e.g., Grades, Discussions, and Submissions) on the left-hand menu or select any **dropdown arrow** to expand for additional information.
- Select **Course Access** to see additional information about when the student has accessed the course.
- Select **Login History** to see additional information about when the student has logged into D2L.

Check Student Activity in Content (Completion Tracking)

The Completion Tracking tool allows you to monitor student engagement with Content topics, including documents, videos, and activities.

1. On the purple navigation bar, click **Content**.
2. Open the topic (or material) to review.

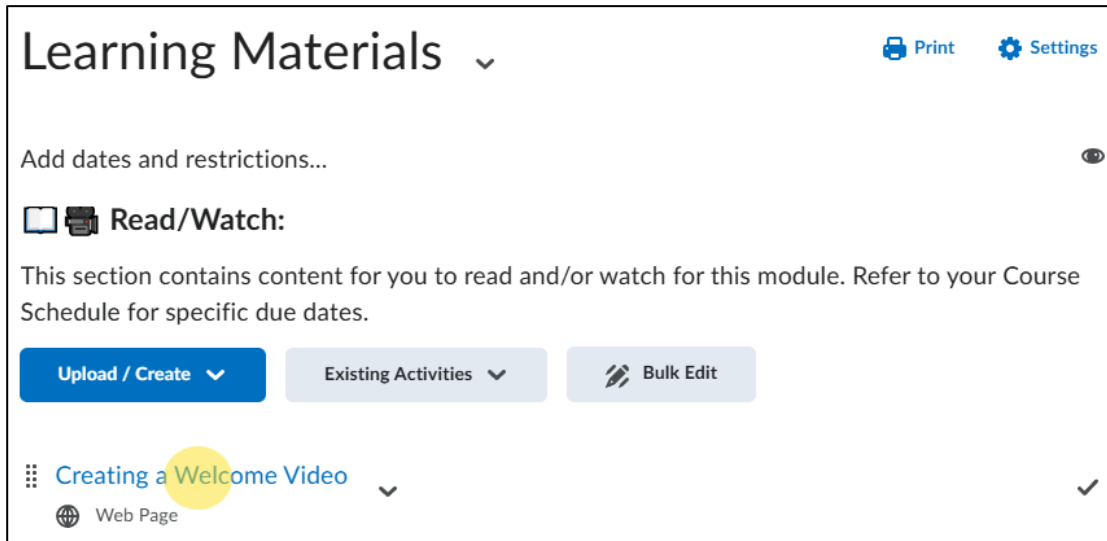

Figure: Click material to review

3. Scroll to the bottom of the page, then click the **Completion Summary** tab [1].
4. (Optional) Sort by Complete, Incomplete, or Exempt [2].
