(2) These pieces include but are not limited to Bobbie pins, berets, hair beads, etc.
(3) Hair may be held in place with soft material adornments such as rubber bands, “scrunchies”, etc.
(4) Hats may only be worn during the spring softball tournament.

FORFEITS AND DEFAULTS

FORFEITS

The term “forfeit” is defined as a team not having enough members present at game time and ready to participate.

Teams not prepared to play a contest at the scheduled time and date shall automatically forfeit the contest.

Forfeited contest will not be rescheduled.

After a team forfeits two games in a league sport, they will be dropped from further participation.

Examples of forfeit losses can also be assessed for the following:

1) Ineligible players

2) Unsportsmanlike behavior

3) Use of banned substances (alcohol, drugs, tobacco)

NOTE: There is not a grace period. Game Time is Forfeit Time.

DEFAULTS
The term “default” is defined as a team filing an advanced default form with the Intramural office before 2:00 PM the day of the contest.

No advanced defaults will be taken over the phone and all defaults must be done in person by the team captain or the alternate captain.

Any team or individual knowing in advance that they will not be able to play a regularly scheduled contest is provided the opportunity to default that contest.

A loss by default will not be counted as a forfeit but will count as a loss towards the team’s overall record.

Teams are permitted only one default during an event or activity.

No postponements will be made because of the absence of team members.

PROTESTS

GAME AND RULE PROTEST

All games and rule protest must be made at the time of the incident in question.

Rule Interpretation may be protested during an Intramural contest.

Official Judgment may not be protested.

If a team believes an Intramural official has misinterpreted a rule, they may protest by calling a time-out and asking for the protest.

At this time, the Intramural Coordinator, an Intramural Graduate Assistant or Intramural Office Supervisor will hear the protest and rule accordingly.

Should the protest be upheld, the team will be reissued the time-out and the adjustment will be made according to the rule.

Should the protest be found invalid, the team will lose the protest and the time-out and the game will continue.

EXAMPLE OF RULE INTERPRETATION:

An example of rule interpretation concerns flag football. A legal catch in flag football requires the receiver to land with possession of the ball with only one foot in bounds. If the official called a pass play incomplete because the receiver did not have both feet in bounds, the team could protest the rule interpretation. The official has misinterpreted the rule and, therefore, the team has a legitimate protest.
EXAMPLE OF OFFICIAL JUDGMENT:

Citing the above flag football example, if the official ruled that the receiver landed with possession of the football but with the first foot on the sideline, this would be the judgment of the official and, therefore, not a play to be protested.

ELIGIBILITY PROTEST

Eligibility protest must be submitted in writing to the Intramural office, room 220 of the Fitness Center, by 12:00 p.m. (Noon) the following school day of the game or match in question.

These protest must be specific to the player(s) begin protested and the nature of the protest.

Examples of eligibility protest could include.

(1) Whether a player is a currently enrolled student at Tennessee Tech University.

(2) Whether a player is on more that one single-sex team or Co-Rec team.

INELIGIBLE PLAYERS

The Intramural staff will investigate the eligibility of any participants for whom questions are raised and properly addressed.

Eligibility violations that come to the attention of the staff by any means will be dealt with accordingly.

Teams may not play ineligible players even by the mutual agreement of both team captains and the other players in the contest. Such players shall be ineligible for all competition until reinstated.

Players may not participate under an assumed name. Any team that uses a player under an assumed name will be disqualified for the remainder of the sport, and the ineligible player will be barred for the remainder of that sport and more.

During playoffs, the last contest in which an ineligible player participated shall be recorded as a forfeit win for the opposing team.

SPORTSMANSHIP POLICY

PHILOSOPHY

A part of the philosophy of the Intramural program at TN Tech is that sportsmanship is vital to the success of each program offered to the university community.
Intramural Graduate Assistants, Student Supervisors and Student Officials are trained within the rules and mechanics of the sports officiated and, as such, have the authority to make decisions to warn, penalize or eject participants or teams for displaying poor sportsmanship.

The Intramural Coordinator will rule on further penalties to be issues. All affected participants must report to the Coordinator of Intramural Sports before their next scheduled game before they will be reinstated to play.

OFFICIAL RESPONSIBILITY

The TN Tech Intramural Department requires IM officials to enforce sportsmanship rules for participants. Participants include, coaches, fans and guest; basically anyone attending the IM event.

The officials are instructed not to issue warning for unsportsmanlike behavior such as trash-talking or taunting of opponents.

If such unsportsmanlike comments are heard or actions seen, a penalty will be assessed immediately.

GRADES FOR EACH GAME

The IM officials, supervisors and graduates assistants shall grade each team on its sportsmanship for each game.

For each conduct penalty assessed to a team, the team game grade will automatically drop one letter grade.

Two conduct penalties on the same player in one game shall result in an ejection from the contest.

Three conduct penalties on a team in a single contest will result in forfeiture of the contest and an automatic “F” grade for the game.

TEAM SPORTSMANSHIP POLICY

In order for a team to qualify for the playoffs, or to advance in a tournament, they must:

(1) Have finished with a .500 or better record unless another criteria has been declared for an event.

(2) In the event of weather cancelling a night of games and limiting the number of games played, teams with 2 or less losses shall have earned playoff consideration.
(3) Have a “B” (3.0) sportsmanship average during the regular season, and maintain a “B” (3.0) average in the tournament.

(4) Have not forfeited even once during the regular season.

**SPORTSMANSHIP RATING CRITERIA**

“A” Excellent Conduct and Sportsmanship: Players cooperate fully with the officials and opposing team member. The captain converses calmly with officials about rule interpretations and calls. (4 points)

“B” Good Conduct and Sportsmanship: Team members verbally complain about some decisions made by the officials and/or show minor dissension, which may or may not merit a Yellow Card/Technical Foul. Teams that receive one Yellow Card/Technical Foul will receive no higher than a “B” rating. (3 points)

“C” Average Conduct and Sportsmanship: Team shows verbal dissent towards officials and/or the opposing team, which may or may not merit a Yellow Card/Technical Foul. Captain exhibits minor control over his/her teammates, but is in control of him/herself. Teams receiving multiple Yellow Cards/Technical Fouls will receive no higher that a “C” rating. (2 points)

“D” Below Average Conduct and Sportsmanship: Team constantly comments to the officials and/or the opposing team from the field and/or sidelines. The team captain exhibits little or no control over teammates or him/herself. Team that receive one Red Card/Ejection will receive no higher that a “D” rating. (1 point)

“F” Poor Conduct and Sportsmanship: Team is completely uncooperative. Captain has no control over teammates and/or him/herself. Any team causing a game to be forfeited, other than by not showing or any team that receives multiple Red Cards/Ejections will receive an “F” rating. (0 points)

A team winning by forfeit will receive an “A” (4.0).

A team forfeiting, for reasons other than sportsmanship, shall receive no grade.

**INDIVIDUAL SPORTSMANSHIP POLICY**

Any player who is ejected from a contest must leave the field/court immediately after being ejected or the game will be forfeit.

The ejected player must also meet with the Intramural Coordinator prior to participating again in any event and is ineligible for all Intramural competition until a meeting takes place.
NOTE: Participants ejected from an Intramural event will not be permitted to attend, be a spectator, or participate at the court/field, during Intramural activity, until their suspension has been served. Any unsportsmanlike acts from spectators shall be penalized to the captain.

REINSTATEMENT PROCEDURE

Any player, coach, or spectator who is ejected from an Intramural contest is automatically suspended from all Intramural activity until official reinstatement.

To be reinstated, one needs to meet with the Intramural Coordinator as soon as possible following the ejection. Suspensions will not begin and reinstatement will not occur until this meeting has taken place.

Participants must meet or make an appointment to meet with the IM Coordinator within 3 days of the incident to be eligible for the minimum penalties of a suspension.

The Intramural Coordinator shall determine the period of suspension for each person who is suspended from all Intramural Activities.

(1) The minimum suspension for any ejection is one game in the activity from which the person was ejected plus a three-month probationary period.

Intramural Suspension

(1) The individual may not participate in any formal activity, whether it is a team sport, individual event, or special event until the suspension is lifted.

(2) Participation includes playing a sport or coaching a sport.

(3) Suspended participants shall be on probation as spectators or fans.
   (a) Incidents with suspended participants while a spectator shall result in a total suspension from all TN Tech Intramural involved events.

Intramurals Probation

A team or individual may be put on probation for any length of time. An individual or team need not be ejected to be put on probation. In such cases, employee reports may activate such a sanction. A team or player on probation will be removed from further competition if they incur further unsportsmanlike penalties or engage in any unsportsmanlike acts. Players returning from long suspensions or with a history of issues will be placed on probation once they potentially become reinstated.

Violating probation includes, but is not limited to the following:
- Fighting (pushing, punching, tripping, late hits, cheap shots, or any type of physical contact)
- Using profane, inappropriate, insulting, or vulgar language or gestures - incidental or otherwise
- Use of alcohol, drugs, tobacco or any other banned substance.

- Engaging in any general unsportsmanlike act, especially those that show disregard for Intramural rules and policies (Unsportsmanlike conduct penalties)
- Any attempt to strike an opponent or Intramural Sports Staff member
- Aggressive action toward a participant or Intramural Sports Staff member
- Actions that may lead to a fight

TENNESSEE TECHNOLOGICAL UNIVERSITY

No Smoking & Tobacco-Free Campus Policy

Tennessee Tech University (TTU) agrees with the US Surgeon General that tobacco use in any form, active and/or passive, is a significant health hazard. TTU further recognizes that environmental tobacco smoke has been classified as a Class-A carcinogen, and that the State of Tennessee is actively dissuading its employees from smoking. TTU supports the American College Health Association Position Statement on Tobacco on College and University Campuses (www.acha.org, Feb 2005). Due to these health risks, TTU has adopted a NO SMOKING & TOBACCO-FREE CAMPUS policy.

No Smoking & Tobacco-Free Campus

Policy

Effective January 1, 2010, TTU is a No-Smoking & Tobacco-Free Campus, with all smoking (‘herbal’ and tobacco) and all other tobacco usage permitted only in private vehicles. This policy applies to all university buildings and grounds; TTU-affiliated off-campus locations and clinics; and any buildings or properties owned, leased or rented by TTU in all other areas. Smoking & tobacco use continues to be prohibited in all state vehicles. This no smoking & tobacco-free campus policy is in effect 24 hours a day year-round.
**Background**

The university promotes a healthy, sanitary environment free from all smoke (‘herbal’ and tobacco) and tobacco-related debris. The TTU community acknowledges that long-term health hazards may accrue to people who use tobacco products or who are subjected to second-hand smoke. The failure to address the use of tobacco products on campus would constitute a violation of the Americans with Disabilities Act, the Vocational Rehabilitation Act and Tennessee law.

**Support**

Understanding the addictive nature of tobacco products, TTU will make every effort to assist those who may wish to stop using tobacco. TTU Human Resources, Health Services and Counseling Center offer current information about available resources. The State offers toll-free assistance at 1-800-QuitNow (1-800-784-8669). The American Cancer Society offers free council to individuals wanting to quit.

**Compliance and Enforcement**

It is the responsibility of all members of the TTU community and visitors to comply with this no smoking & tobacco-free campus policy. Violations of the policy will be dealt with in a manner that is consistent with university procedures. There shall be no reprisals against anyone reporting violations of this policy.

**No Smoking & Tobacco-Free Campus Enforcement Policy**

All employees and students are encouraged to remind visitors to the campus who violate this policy that TTU is a no smoking & tobacco-free campus. Visitors who refuse to abide by the policy will be asked to leave the campus.

Student violations of this policy should be reported to Residential Life or the Office of Student Affairs. Students continuing in violation of this policy will be subject to the Student Disciplinary Process of the *TTU Student Handbook*, administered by the Dean of Students.

Faculty, staff and administrator violations are to be reported to their supervisors, who will provide the initial reprimand and counsel to that person. Further violations will be handled through the progressive discipline process.

University Police will handle anyone refusing to comply or who becomes abusive toward the reporting party.
INCLIMENT WEATHER – CHECK WEBSITE

In case of rain, lightning, or any threatening weather conditions, check the Intramural website for playing status that day. It will not be decided until 3:00 PM.

If games have been postponed or canceled, the message on the IM website will be adjusted to say as much.

If games have not been postponed or canceled, the message on the IM website will be of a general nature with no references to any particular dates or times.

The decision to start or postpone games will be made by the Intramural Staff as the weather conditions dictate and usually no earlier than 3:00 PM during the week.

Any contest or events to be rescheduled will be as quickly as possible.

As with all Intramural events, scheduling information will not be given over the phone.

It is the responsibility of the team captain to check updated schedules or brackets on the TN Tech IM website or bulletin boards for new game times.

In the event of severe weather during Intramural activities, Intramural supervisors will direct participants to see shelter in designated areas. Intramural supervisors will keep everyone in the shelter and they are to remain there until an all clear is given.

The TTU Intramural Sports department is equipped with an automated lightning prediction device that is located with the Intramural supervisors during outdoor Intramural activities.
