

Honoring Dr. Martin Luther King, Jr.

To honor the legacy of Dr. Martin Luther King, Jr., The Tennessee Tech University Commission on the Status of Blacks invites you to participate in a week of service (and beyond!). Instead of taking a day off on January 20, begin your week “on” and serve your community. Those participating and sharing their service will be entered in a **drawing for a free iPad** provided by the Tennessee Tech College of Education. The drawing will be on Monday, January 27, 2020. Need some suggestions? Below are ideas for how to serve locally!
