

THE OFFICE OF MULTICULTURAL AFFAIRS AND
THE COLLEGE OF ENGINEERING PRESENTS

WOMEN IN STEM: HOW STEM IS DONE DIFFERENTLY

Featuring Speaker **Kellie Meade**,
Founder of GemPhones

MARCH 12, 2020

11 A.M.

**BLACK CULTURAL
CENTER
(RUC 258)**

Join us to hear an inspiring talk from Ms. Kellie Meade. Kellie has a degree in Electrical Engineering and during her professional career she began to design her own products. She branched out to start her own company GemPhones. Kellie was featured on the show "Quit Your Day Job" and the Home Shopping Network (HSN)!
