

Evidence of Language Proficiency Confirmation

Name of Visiting International Researcher: _____

Country of Citizenship: _____

I confirm I have communicated with the above named Visiting International Researcher by telephone and believe that based on my discussion with the Visiting International Researcher, he/she has the necessary English language skills to communicate effectively and accurately inside the US without any assistance from the university or a translator. I believe the Visiting International Researcher has the necessary language skills to complete his/her objectives in which he/she has come to the US, and I believe any desired attempt by the Visiting International Researcher to strengthen his/her English skills inside the US is only supplemental to their current strength in communicating in English.
