* International Business & Cultures is a joint program between the College of Arts & Sciences and the College of Business. In this report, all degrees are shown in College of Business.

** Psychology (BS) became part of the College of Education in Fall 2017. Previously, degrees in this program traditionally were awarded by the College of Arts and Sciences. However, instruction typically was provided by the Department of Counseling and Psychology in the College of Education.

*** The Computer Science Department became part of the College of Engineering at the beginning of 2010-2011. In this report, Computer Science is shown in the College of Engineering for all years.

**** The College of Fine Arts was founded in August 2017 and was formed with degree programs that previously were in the College of Education. For clearer presentation of trend enrollment information for both colleges, the historical enrollment information about degree programs in fine arts and music have been moved to the College of Fine Arts.

***** Environmental Sciences (PhD) became a part of the College of Interdisciplinary Studies in Fall 2012.
