- * The Computer Science Department became a part of the College of Engineering in Fall 2010.
- ** Psychology (BS) became part of the College of Education in Fall 2017. Previously, degrees in this program traditionally were awarded by the College of Arts and Sciences. However, instruction typically was provided by the Department of Counseling and Psychology in the College of Education.
- *** The College of Fine Arts was founded in August 2017 and was formed with degree programs that previously were in the College of Education. For clearer presentation of trend enrollment information for both colleges, the historical enrollment information about degree programs in fine arts and music have been moved to the College of Fine Arts.
- **** Environmental Sciences (PhD) became part of the College of Interdisciplinary Studies in Fall 2012.
