

## Accelerated 2nd-Degree BSN

TTU's Whitson-Hester School of Nursing is proud to once again offer our Accelerated 2nd-Degree BSN program for the Summer 2019 semester. This program will be 15 months in length with a graduation date in August 2020.

### **A** *dmissions*

Applicants to the program must have completed a previous BS or BA degree and must complete any remaining science prerequisites for the program. Admissions will be based on applicant's academic record, science course performance, and scores from the HESI A2 admission exam.

### **W** *hen Should I Apply?*

Applications will be available online from August 1st through October 1st. Applicants must have either completed science prerequisites or have active enrollments for at least one science prerequisite for the Fall 2018 semester.
