

### Nursing Education Online MSN

Advancing your career in Nursing has never been easier with Tennessee Tech’s online graduate programs. The MSN Nursing Education program is a 40 credit-hour degree that includes clinical focus in a variety of specialty areas. Anytime lectures and flexible course loads make the program convenient - while practicum requirements completed at sites that you select in your community and supervised by our faculty ensure the quality of education you expect from Tennessee Tech.

#### **A**dmission Requirements

-An unencumbered license to practice as a Registered Nurse in Tennessee or the state in which your clinical assignments will be completed.

-A Bachelor’s degree in Nursing with an overall GPA of 3.0 (provisional admission may be considered for students below a 3.0 on a case-by-case basis).

-Completion of an undergraduate level statistics course.
