

NURSING CAREERS

Start Here!

RN-to-BSN & Fast-Track RN-to-MSN

Advance your career without putting it on hold. Our fully-online BSN — just 30 hours of nursing coursework — fits around your schedule and finishes in about a year.

PROGRAM INFORMATION

100% online · 30 nursing credit hours · finish in about one year. Up to 32 nursing credits transfer from your ASN/AASN, and the Fast-Track option lets you start MSN courses that count toward both degrees.

ADMISSION INFORMATION

Hold an RN license or be currently enrolled in an RN program, with a 2.5 GPA (3.25 for Fast Track, which lets you begin MSN coursework early). Apply to Tennessee Tech, then email nursing@tntech.edu for help with your RN-to-BSN application. Start any fall, spring or summer.

Remaining · Electives, minors, or Flight Foundations courses to reach 120 total BSN hours **28**

FAST TRACK

Jump-Start Your MSN — While You Finish Your BSN

Tennessee Tech's university-wide Fast Track program lets qualifying juniors and seniors take up to 12 credit hours of graduate coursework before they've even finished their bachelor's — and count those courses toward *both* degrees. The Fast-Track RN-to-MSN pathway applies this to nursing: with a 3.25 GPA, you can begin MSN-level courses (marked **FT** in the coursework above) while still completing your BSN, shaving real time off your path to an advanced practice degree.

Fast Track participation doesn't guarantee graduate admission — you'll still apply to and be admitted into the MSN program separately. Ask your advisor about eligibility.
