## **Tennessee Tech Cheerleading Registration Form 2016-2017**

I understand and accept that I may be cut at any time during the tryout process for any reason. \_\_\_\_\_

If I am cut, I may not approach the coaching staff, judges, Campus Recreation, Administration Office or Athletic Office at Tennessee Tech University, current or past members of the team during or after the tryout process in regards to results. You may email Coach Benedict for feedback so you can prepare for the next tryout (email will be the only means in which feedback is provided). \_\_\_\_\_

I understand that no scores will be discussed, and that feedback will be provided to the tryout candidate ONLY. \_\_\_\_\_

I understand that the tryout registration fee is non refundable regardless of whether or not I make the team. \_\_\_\_\_

I understand that there are only a select number of scholarship offerings available to select members of the squad. I understand that making the team does not guarantee scholarship money. \_\_\_\_\_
