Tennessee Tech University
Office of Research
CAPLENOR FACULTY RESEARCH AWARD

NOMINEE BACKGROUND FORM

Name: _____ Rank: _____

College: _____ Department: _____

I. Publications [Max Points Allowed: Refereed – 30, Non-Refereed – 10]

Provide a listing of publications since employment at Tennessee Tech. Categorize the publications into refereed and non-refereed and give the number of each refereed and non-refereed publications. Further, the two categories are to be listed according to abstracts, chapters, articles, technical reports of research, monographs, books (give citations), music scores, art works, etc. *[A refereed presentation is any presentation or exhibit made from some form of research producing an abstract, paper, or other original work which is evaluated by a committee of professional peers and inducing an invitation to participate in a professional conference, colloquium, or exhibition.]*

II. Presentations [Max Points Allowed: Refereed – 15, Non-Refereed – 5]

Provide a listing of oral presentations for the last three years. Categorize the presentations into refereed and non-refereed; i.e., before professional or civic audience and give the number of each refereed and non-refereed presentations.

III. Funded Research

A. Externally

NOTE: Please separate the non-competitively awarded funded research from the competitively awarded funded research.

Provide a listing of externally funded research since employment at Tennessee Tech. The list is to include at least the following:

-- Funding Source -- Period of Performance -- Title of Project -- Funded Amount

B. Internally

Provide a listing of internally conducted research since employment at Tennessee Tech. The list is to be categorized as to sources of sponsorship such as Faculty Research Fund, departmental, etc. The list is to include at least the following:

-- Sponsorship
-- Title of Project
-- Period of Performance
-- Funded Amount, if any
-- Was a Report Submitted? ___ Yes ___ No

IV. Accomplishments *(Please limit this to 4 pages)*

[Max Points Allowed: Impact on new research/profession – 15, Impact on society/industry – 15, Impact on Tennessee Tech-10] **Impact on* Tennessee Tech *is defined as verifiable evidence of significant impact.*

Describe the significant accomplishments you have made to your research field.

Please limit the number of pages of materials submitted to 50 pages maximum. Reference letters will be excluded from the page count. The winner will be required to attend the Faculty Awards Recognition Reception and make a brief presentation.

Please send one electronic file of the materials requested along with the reference letters to jdicey@tntech.edu.
