

## **Sample Application for LGI Open Educational Resources/No-Cost Low-Cost Textbooks Grant**

**FY2021**

### **Purpose**

Explain the purpose of the project, including a description of how and why diversity, equity, and underrepresented student populations will be supported by this project.

*This field is limited to 5,000 characters including spaces.*

### **Project Outcomes**

Explain the expected academic and/or social impacts of the newly developed or redesigned course project on underrepresented student groups (e.g., gender, ethnicity, ability, geographic location, etc.)?

*This field is limited to 5,000 characters including spaces.*

### **Project Actions**

Explain the actions to be completed to achieve desired outcomes, specifically describing the organization of your project. Outline all steps required to complete the project, including information about any pilot phases and their purposes and goals.

*This field is limited to 5,000 characters including spaces.*

### **Timeline**

Provide your timeline for project implementation, including how you will complete all aspects of the project from implementation to assessment.

*This field is limited to 5,000 characters including spaces.*

### **Assessment**

Provide an overview of how outcomes will be measured (recommended at least three different measures for overall project). If this is an existing program, provide data to demonstrate how previous implementation has been effective.

*This field is limited to 5,000 spaces including characters.*

### **Results Dissemination and Use**

Offer an overview of how data will be shared with key stakeholders to influence institutional change.

*This field is limited to 5,000 characters including spaces.*

### **Future Implementation**

Explain the plan for sustaining the project post initial grant award year as funding for continuing projects will need to be encumbered by your institution. Please note, the funding will be provided for implementation beginning in spring 2021. Therefore, the grant funds, which will last for the calendar year, will cross two fiscal years.

*This field is limited to 5,000 characters including spaces.*
