Attorney General Tidwell noted that the version on the website was being updated to comply with adopted constitutional amendments.

Attorney General Tidwell led a training session on how Justices can use the new EagleEngage workflow system for case management.

Chief Justice Lee **PUT A QUESTION** to the Court on the majority opinion of Case No. 1. The Court entered a period of informal discussion on Case No. 1

pending before the Court. After discussion, the Court rose from informal discussion with multiple resolutions to consider.

Justice Williams **MOVED** to adopt the following language drafted by Chief Justice Lee into the majority opinion:

“Pertaining to question 1 submitted by President Hale, the Court agrees the length of office is one year, beginning the day the oath of office is taken and ending one calendar year later (VI.9). The Court recommends the Judicial Selection Committee be aware of when each justice was sworn in and be ready to replace or re-appoint a Justice at the end of their one-year term. If a Justice is graduating or is not a full-time student, they must vacate their position and the Judicial selection committee shall have 30 days to replace the Justice (VI.10). In the event a Justice graduates or is no longer a full-time student, they shall resign or go through the impeachment process. The Court recognizes that the summer semester typically makes many SGA members ineligible for office; they are no longer full-time students. The Court believes it is imperative for the continued operations of the SGA, therefore the court shall ignore the past transgressions of this constitutional clause and recommend the senate fully remedy this conflict as further described in this Opinion.”

Seconded. After debate, the motion was **ADOPTED** with **6 AYE** and **0 NAY** by show of hands.

Justice LeMay **MOVED** to adopt the following language drafted by Chief Justice Lee into the majority opinion: “Pertaining to question 2 submitted by President Hale, Justice’s terms do not end at the swearing in of an executive council. Justice’s terms run a full calendar year from the day they took office (VI.9). Chief Justice and Associate Chief Justice do not keep their title after their one-year term of office. The Chief Justice and Associate Chief justice must be nominated by the judicial selection committee, confirmed by a supermajority vote of the senate (VI.4.A), and confirmed a two-thirds (2/3) vote of the total membership of the SGA Supreme Court (VI.6.D).”

Seconded. The motion was **ADOPTED** with **6 AYE** and **0 NAY** by show of hands.

Chief Justice Lee **MOVED** to postpone further consideration of Case No. 1 until the next regular meeting. The motion was **ADOPTED** via voice acclamation.

Chief Justice Lee noted that the decisions of the Court made at the meeting will not be binding until the Court adopts and publishes its decision as the majority opinion.

Chief Justice Lee asked if there were any announcements. Attorney General Tidwell made announcements. Chief Justice Lee made announcements.

In accordance with the orders of the day, Chief Justice Lee declared the September 21st meeting of the Supreme Court of the Student Government Association **ADJOURNED** until September 28th at after the adjournment of the Student Citation Appeals Committee without objection at 7:51pm.
